Perfecting motion 

Always different,
always unique

Innovative solutions for every application

The TANDEMBOX intivo program opens a new world of design possibilities

TANDEMBOX intivo combines superior quality of motion and unsurpassed running action with an exciting new design. The drawer side profile, either with a color-coordinated BOXCAP or unique design element, creates a well-balanced and stylish deep drawer. From standard drawers to special applications (such as the SPACE CORNER or sink drawer) TANDEMBOX intivo offers ultimate versatility.

TANDEMBOX intivo advantages seem never-ending

- All components available in three distinct finishes (silk white, terra black and stainless steel)
- Design elements allow endless design options
- Comprehensive program accommodates every application
- Integrated BLUMOTION for silent closing
- Smooth running action and high stability
- Full extension provides optimal access to drawer contents
- Enhanced side, height and tilt adjustments integrated into drawer side
- SERVO-DRIVE opening feature for TANDEMBOX intivo also available
- Various assembly aids available to make installation simple and easy

Exciting and creative solution for drawers

TANDEMBOX intivo brings endless new possibilities to inspire and stimulate creativity. Combining silk white, terra black or stainless steel finishes with drawer side design elements from a wide spectrum of materials, TANDEMBOX intivo offers numerous solutions for innovative deep drawer design.

BOXCAP — for continuous design

Using BOXCAP in the same material and finish as the drawer side creates a continuous design. This style is all about the simple elegance of a uniform look.

Design element — for individual tastes

Using a design element in combination with BOXCOVER, designers have endless options and can create personal collections, set new trends or even customize a deep drawer to meet the individual desires of their customers. Design elements can be produced in any desired material from wood or acrylic to leather or marble.

The drawer sides are available from Blum in three finishes:

BOXCAP

Silk white

Terra black

Stainless steel

Design element

Frosted acrylic
